

Swap and Shop Net Preamble

WX3OES Repeater System

8:30 PM – Tuesdays on 146.865 PL 100 Hz

Good evening and welcome to the weekly session of the EPARA Swap Net. My name is _____ and my call is _____. I am located in _____ Pennsylvania.

I will be Net Control for this session. This is an informal but directed Net and meets every Tuesday evening at 8:30 PM local time. This net is brought to you through the courtesy of the Eastern Pennsylvania Amateur Radio Association and The Monroe County Office of Emergency Management, whose repeater, WX3OES, is being used on a frequency of 146.865 MHz with a PL of 100.

This net is Operated in memory of Dick Teasdale, WA3MDP.

The Net is open to all amateur regardless of their club affiliations. This is an informal but directed Net and all calls should come through Net Control. PLEASE Do Not break or interrupt the Net unless you have Emergency or Priority Traffic. When checking in, please state my call _____, let the carrier drop to avert doubles, state your call, your name and your location.

(PAUSE) At this time is there anyone with EMERGENCY or PRIORITY Traffic? If so, please call Net Control now.

Hearing none, I will now take check-ins. Are there any mobiles or portables wishing to check in? All others, please check in now. When checking in, please give your call sign phonetically, your name, and whether you have any items you'd like to buy, sell, swap, or trade. Please come now.
